

Our successful Holiday Club, which is a day provision, has been running for several years during the Easter and Summer breaks. Organised and run by the Residential Services team, the Club is charged at £90 a day and available only to existing students

Our children and young people are supported by specialist staff who work in the educational and residential settings, so they are familiar faces to the students

For further details on flexible boarding, respite and the Holiday Club, please contact:

Registered Charity No 1063717

Doucecroft School provides specialist residential services to children and young people who attend the school

Young people who board with us learn to look after themselves and their environment

The school offers flexible boarding, including respite, for up to 294 nights a year

The school site benefits from its own swimming pool, physical education suite and an outdoor play area, and includes go-karts and a sunken trampoline

We have access to local parks, leisure centres and shops

Our students develop new skills and hobbies
